### **South Carolina Bankers Association Partners with Fitech Payments**

*Endorsement brings best-in-class merchant services to SCBA's 70+ member banks*

Fort Worth, TX and Columbia, SC, January 15, 2019 – The South Carolina Bankers Association, representing more than 70 depository institutions throughout the state, announces its appointment of Fort Worth, Texas-based Fitech Payments as the Association's preferred vendor of payment processing.

Fitech is one of the nation's leading merchant services providers, bringing revenue-generating payment products to every bank and bank association with which it works – currently spanning more than 35% of the U.S. across a 19-state footprint from coast to coast.

The company's rapidly expanding nationwide presence is a testament to the strong ROI that Fitech delivers to community banks, specifically by helping these banks grow their merchant services business line.

Fitech brings a wide slate of services to SCBA member institutions, including payment processing (at the countertop, via eCommerce platforms, and on mobile devices, as well as through web-based payment portals, also known as Virtual Terminals), ATM solutions, and ancillary services to help member bank's track the profitability of Fitech products.

These services include comprehensive software integration with the bank's core processing or other legacy systems, and extensive online reporting that both the bank and its business banking customer can use for their respective purposes.

In addition, and to help SCBA member banks quickly capture their share of payment processing business, Fitech will further support association member banks through a dedicated relationship manager.

For more information on how your community bank can add Fitech payment processing services to its product line, contact Matt Mingenback, Fitech Director of Sales, [MMingenback@fitech.com](mailto:MMingenback@fitech.com) or (o) 817-698-2268.
